Bradfordville First Baptist Church

February 14, 2008

Dear Friends,

Being a church family means building connections with each other. As our church grows, it is increasingly difficult to know each other and know about each other. The directory is an effort to provide helpful information for our congregation. While we are not offering endorsements, we are trying to communicate about services that are available through our membership.

We sincerely hope that relationships will be strengthened and our fellowship will grow closer through this endeavor. If you are not included and wish to be, please let us know for future issues.

We have an incredibly talented church filled with people with servant hearts. May God bless us as we seek to serve Him and each other!

In Christ,

Mark Wilbanks
