Ministry Opportunities: Many do things quietly as the Bible says, "Don't let your right hand know what the left hand is doing." We're to do things for the LORD not for man so many do things behind the scene on their own. It's a great group of folks in the class. Members volunteer with the visitation ministry for our class and the entire church outreach, are actively involved in Manna Ministries bimonthly; several ladies in our class do part-time teaching in the children's department or rocking babies; the exercise class is an outreach ministry for ladies who come to exercise and get invited to attend our church; and many others in our class are active in the Prayer Ministry Chain of the church. That's just a few of the "mission" opportunities if you are looking for a place to belong and reach others.
